An Evening of Fine Art and Food, Exotic Travel and Treasure  
***ALL for a GREAT CAUSE!***

Andrea Clearfield, composer, will host this benefit event in her loft, home of the **SALON- Philadelphia Magazine's Best of Philly® 2008**. The evening will include preview performances from **LUNGTA**, an artistic collaboration combining music, dance, and visual art inspired by Mustang, Nepal, and a silent auction of valuable and beautiful art, goods, and services.

Lo Kunphen is a school and clinic of Tibetan medicine located in the remote Himalayan kingdom of Lo Monthang, Mustang, Nepal. Tenzin Sangbo Bista, co-founder of Lo Kunphen, will travel from Nepal to Philadelphia for this special event.

***Lo Kunphen provides invaluable services to the people of Mustang, yet it desperately needs support to continue operations, for facility improvements and to hire new teachers!***
